

Do you need health care support to help you back to the workplace?

Condition Management Programme can help.

Condition Management Programme (CMP) is a multidisciplinary team of healthcare professionals including Occupational Therapists, Mental Health Nurse, Specialist Social Worker, Physiotherapists and Exercise Professionals employed by WHSCT. CMP provides support and advice for people with physical or mental health conditions to help you understand and manage your condition and assist in your return to work.

For more information please see information attached or contact your nearest CMP office on the telephone numbers featured below.
